KIGALI | ACCRA

Embark on a journey that takes you on an unforgettable Asian dining experience with an African influence that stimulates all senses.

The Kōzo dining experience is elegant and sophisticated, with its food designed to share amongst friends and family over piquant conversation and exquisite drinks.

Our farm-to-table concept means we source ingredients from local farms, supporting the African Farmer while maintaining our commitment to bring only fresh ingredients to your tables.

We aim to explore new markets and build a pan African business, by forging local partnerships, prioritising sustainability, and being prepared to continuously adapt and innovate our offer.
